

# Bachelor's Degrees

**Arts and Humanities**

An impressionistic painting with soft, blended colors of purple, pink, and yellow, depicting a group of people in a social setting.

**Sciences**

A close-up photograph of fresh green vegetables, including sliced cucumbers and green beans, with water droplets on their surfaces.

**Health Sciences**

A blue-tinted medical illustration showing a human torso with a skeletal structure and a heart rate monitor line overlaid on the background.

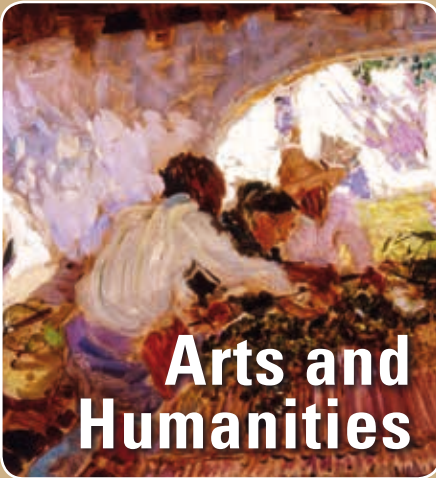

**Social and Legal Sciences**

A photograph of a pair of golden scales of justice, symbolizing law and equity, set against a warm, blurred background.

**Engineering**

A photograph of several analog clocks with white faces and black numbers, arranged in a cluster.

**Universidad Complutense de Madrid**

## Arts and Humanities
