Istanbul

- YTÜ is situated in İstanbul which is one of the world's great cities famous for its historical monuments and magnificent scenic beauties. It is the only city in the world which spreads over two continents: it lies at a point where Asia and Europe are separated by a narrow strait - the Bosphorus. Istanbul has a history of over 2,500 years, and ever since its establishment on this strategic junction of lands and seas.
- The historic city of Istanbul is situated on a peninsula flanked on three sides by the Sea of Marmara, the Bosphorus and the Golden Horn. It has been the capital of three great empires, the Roman, Byzantine and Ottoman empires, and for more than 1,600 years over 120 emperors and sultans ruled the world from here.

Istanbul

- Surrounded by 5th century Roman city walls and stretching over seven hills, Istanbul presents an exquisite, majestic and serene silhouette from all directions

As a capital of empires, the city was not only an administrative, but also a religious centre. mosques, churches and synagogues exists side by side in İstanbul which has been a city of tolerance.

Istanbul

- Istanbul's many historical areas were added to the UNESCO World Heritage list in 1985. In addition, because of its history, importance to culture in both Europe and the world, Istanbul has been designated the European Capital of Culture for 2010 by the European Union.

Yıldız Technical University

Yıldız Technical University is one of the twelve public universities in İstanbul besides being one of the oldest university of Turkey with its history dating back to 1911. It is regarded as one of the best universities in the country, as well.

History

There are several stages that our university has passed through in its distinguished past.

- **The Conductors (Technicians) School of Higher Education (1911-1922);** to meet the requirement for «science office»
- **The School of Public Works (1922-1937);** 3-year program for technicians
- **The Istanbul Technical School (1937-1969);** 4-year program for engineering
- **Architectural Academy Period (1969-1982);** autonomous higher education and research institution
- **The Yıldız University Period (1982-1992);** milestones for the organisation today
- **The Yıldız Technical University Period (1992-...);** 10 Faculties, 2 Institutes, the Vocational School of Higher Education, the Vocational School for National Palaces and Historical Buildings, the Vocational School for Foreign Languages

Campuses

- YTU has two campuses located different areas of Istanbul. Main campus is situated in Besiktas which is one of most central area of European side, other campus is situated in Esenler that is very convenient to be reached by public transportation.

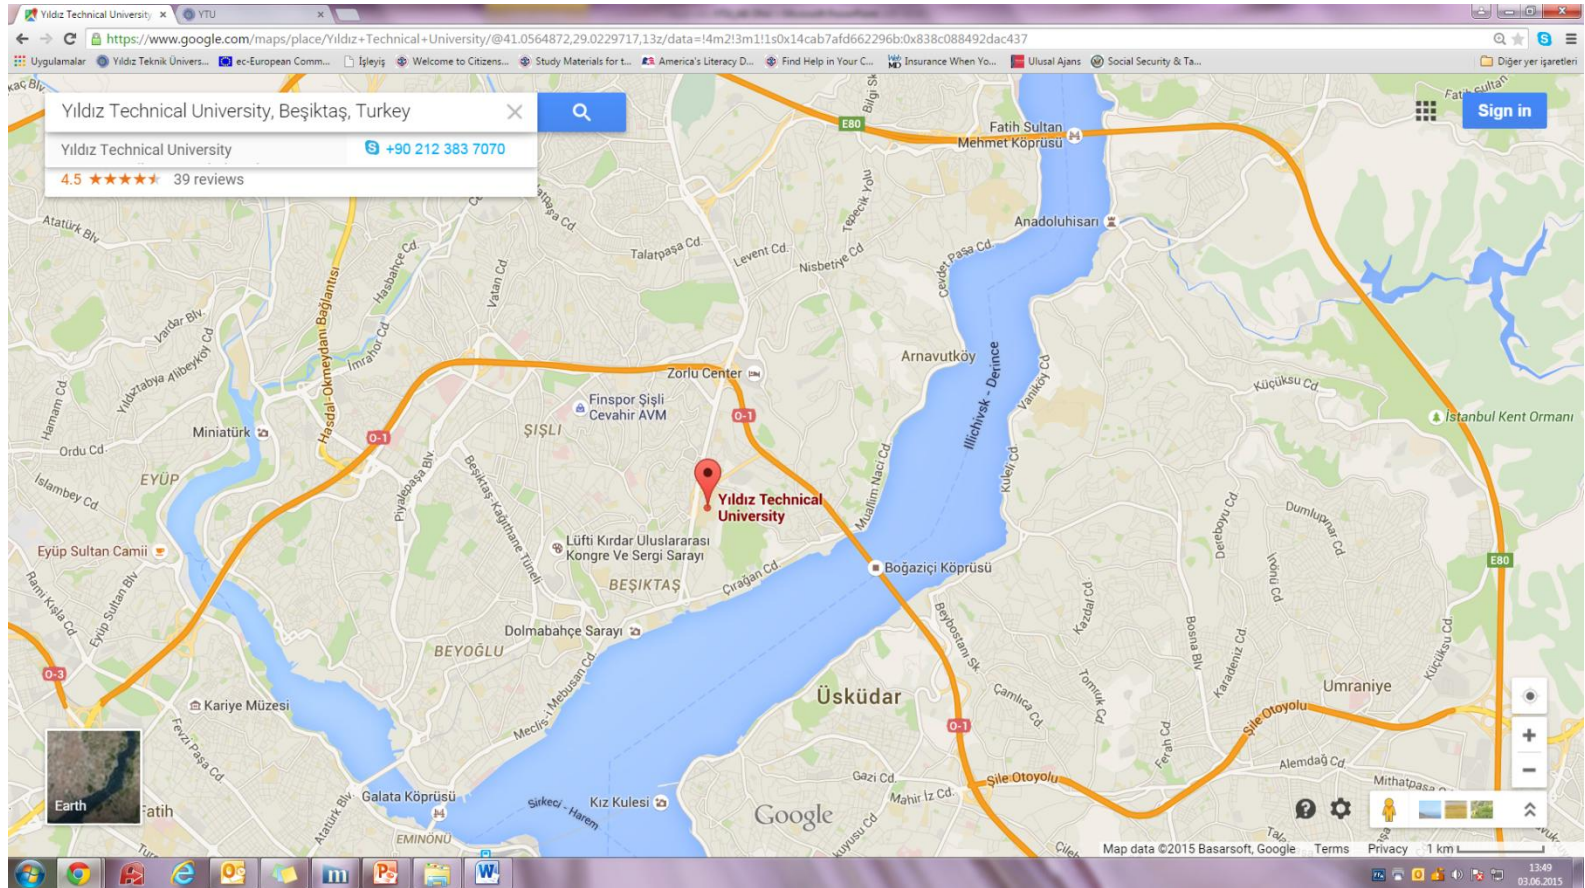

Yıldız Campus

- Although many departments have been moved to Davutpasa Campus, which is one of the biggest campus in Istanbul, due to the increasing number of the students day by day, Yıldız Campus has still the basic departments and administrative buildings.
- Yıldız Campus is just a few minutes away from Bosphorus Bridge and seaside. It is very convenient to be reached by all public transportation.
- Yıldız Campus has also very rich history. Yıldız Palace used to be one of the palaces in which the Ottoman Sultan settled. It was built in a coppice forest which covers 500.000 m2 area, including gardens, palaces, mansions, guard and service places. Although some of the buildings were given to the management of Ministry of Culture and Tourism, the campus area still includes some of the remarkable buildings.

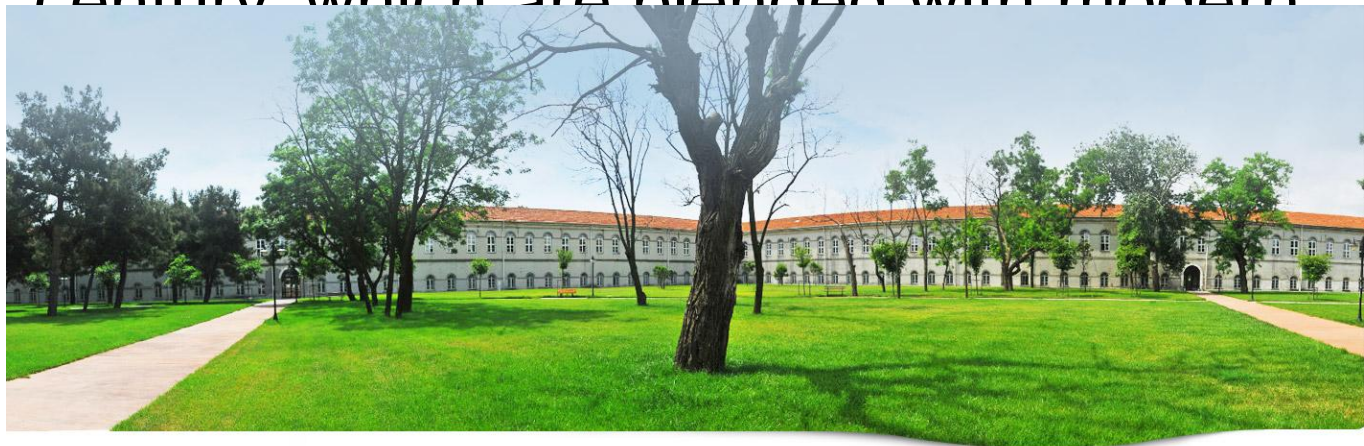

Yıldız Campus

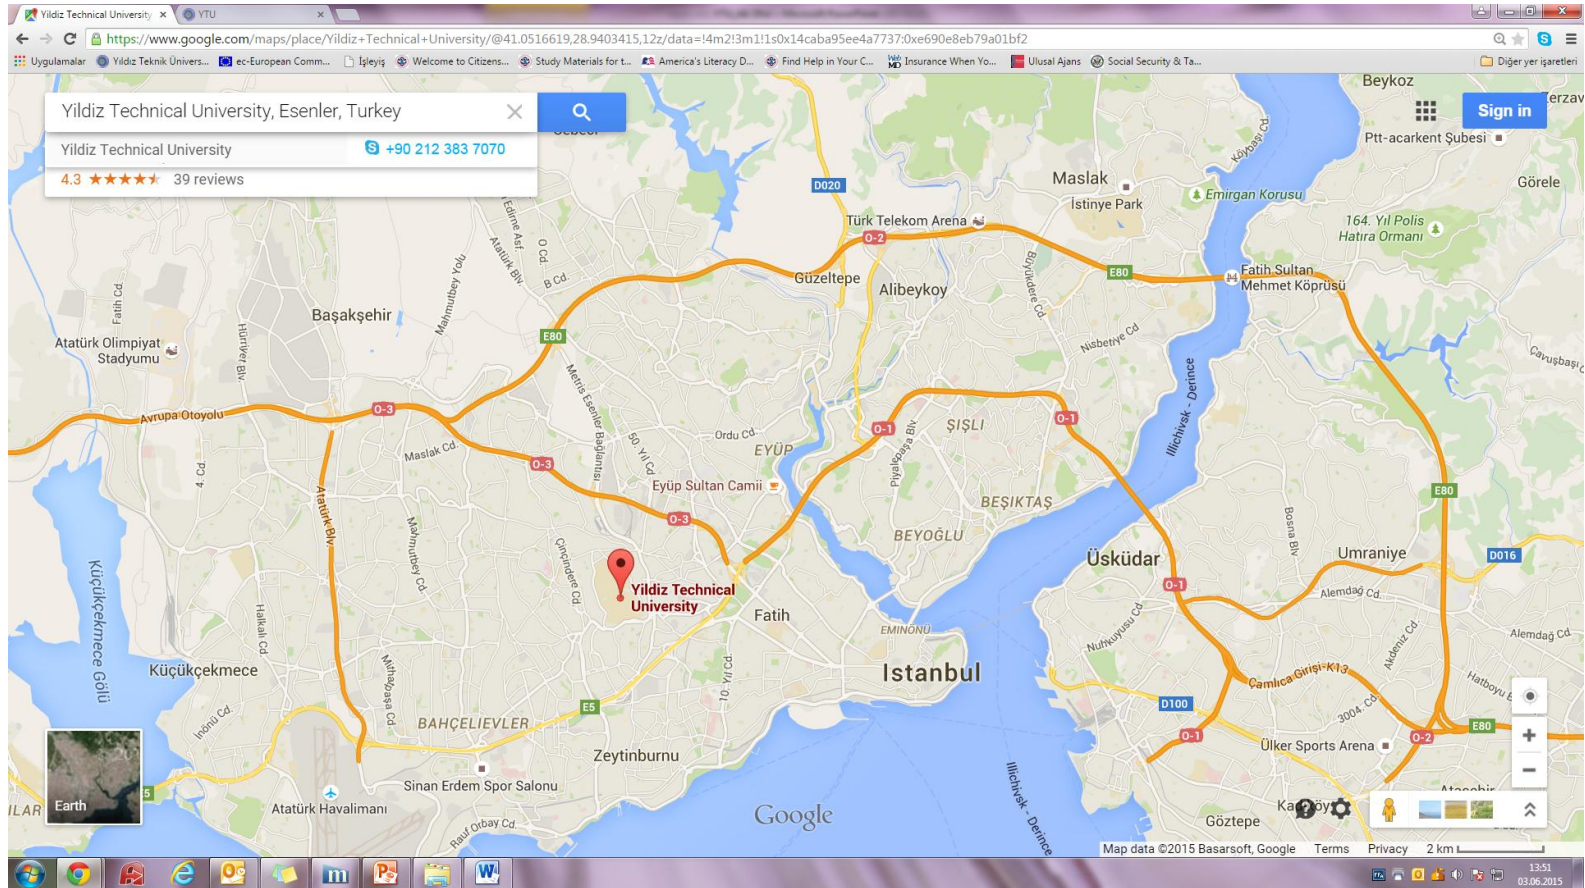

Davutpaşa Campus

- Most of the academic departments and facility buildings are on the Davutpasa Campus.
- It is one of the biggest campus located in Istanbul.
- Davutpasa Campus also has historical buildings like a barrack, dating back to 15. century, which are blended with modern

Davutpaşa Campus

Academics

Yıldız Technical University currently has

- 10 Faculties,
- 2 Institutes,
- the Vocational School of Higher Education,
- the Vocational School for National Palaces and Historical Buildings,
- the Vocational School for Foreign Languages

Institutes, Faculties, Vocational Schools

Yıldız Campus

English Courses

Minimum 30% of the study programmes are offered in English language at each department. Other than that, we do have some programmes which are offered totally (100%) in English language:

- Mathematical Engineering
- Bioengineering
- Control and Automation Engineering
- Chemistry
- Civil Engineering
- Chemical Engineering
- Metallurgical and Materials Engineering
- Industrial Engineering
- Mechatronics Engineering
- Architecture

Facilities

- Dining halls, restaurants, canteens; big dining halls and many canteens run by the university, quite cheap, besides private restaurants and cafeterias
- Medical Center; has a capacity of basic medical treatments
- 7/24 open library; rich in published and electronic materials, equipped with technological devices, private and shared study areas and a capacity of holding more than 600 people
- Technopark; designed on an area of 125.500 m² and includes prototype ateliers, laboratories, conference halls, recreation areas, etc.
- Laboratories; a great number of laboratories at many departments such as engineering, chemistry, robotics, biology, art etc. and a Central Laboratory with a huge capacity with 11 different labs.

Facilities

- Sport facilities; indoor and outdoor semi-olympic swimming pool, tennis courts, basketball and volleyball courts, football pitches, fitness hall equipped with many sport implements

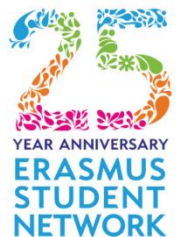

Facilities

- There are both incampus and outcampus restaurants, cafes and leisure centers which can be used by the students, staff and guests as well.

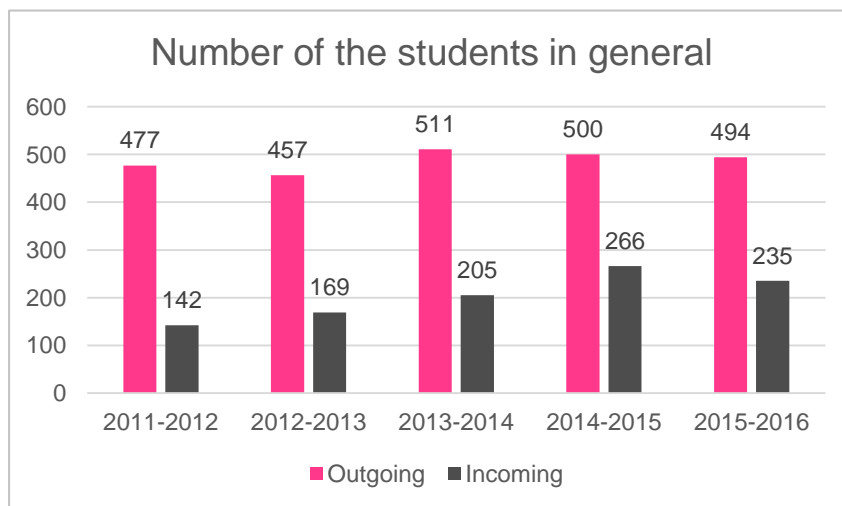

Facilities

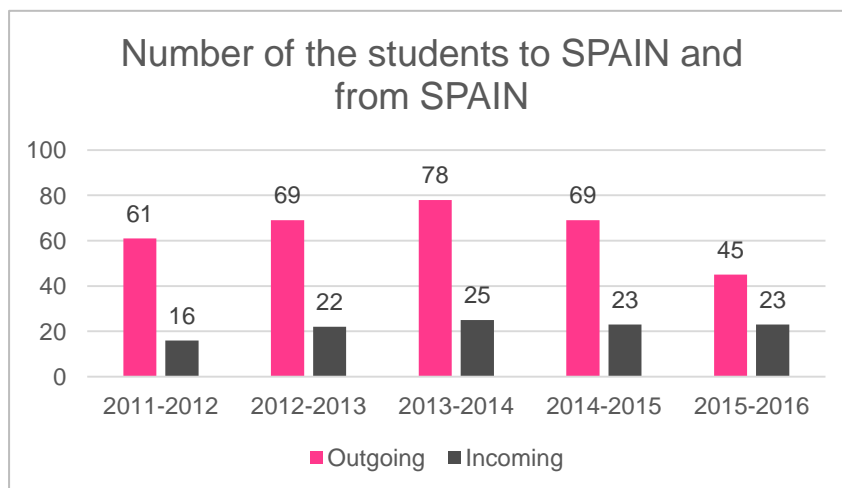

- Student clubs; many student clubs in different fields from sport to art and from engineering branches to culture & art etc.
- ESN YTU: city tours and some weekend vacations like Cappadocia and Antalya; some concerts and volunteer activities for charity like Autistic children; TANDEM projects
